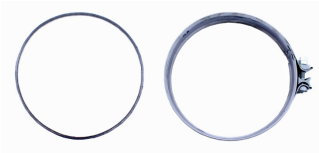
Skyline DPF and DOC Service Kits

Easy Ordering, Easy Stocking, Easy Access

Skyline DPF and DOC service kits contain the clamps and gaskets needed for a DOC or DPF, all in one package for easy ordering, easy stocking, and easy technician access.

High Quality Clamps and Gaskets

Skyline buys clamps and gaskets from suppliers that build to meet OEM performance requirements.



Service kits for Detroit Diesel 1-Box Systems

Skyline offers two service kits for the dual-DPF 1-Box systems (Skyline DJ0806, DJ0813, and DJ1005). The SKJ810 kit has the flat clamp and gasket, and the SKJ820 kit has the flat clamp, the V-band clamp, and gasket.
